The C.A.S.T. for Kids Foundation will hold a C.A.S.T. for Kids event on **venue** in **city** on **date, year**. This will be a free boating and fishing event for children with special needs. The C.A.S.T. (“Catch A Special Thrill”) for Kids Foundation enriches the lives of children with special needs, supports their families, and strengthens communities through the sport of fishing. We empower families and communities to celebrate children with special needs, making these children feel valued and loved so they can overcome limitations and be successful. Through a joyful day of fishing, kids, their families, and community volunteers come together for an explosion of fun and inspiration. The C.A.S.T. for Kids Foundation hosts annual fishing and boating events across America to provide children with special needs a quality outdoor recreational experience.

The C.A.S.T. for Kids Foundation is in its 32nd year of celebrating children with special needs by providing free boating and fishing events for them to enjoy the outdoors. In 2023, the Foundation will hold over 95 events. You can view a complete National schedule at www.castforkids.org.

At each event, participants receive a free fishing pole, tackle box, event t-shirt, cap, award plaque, and lunch. A morning of fishing will be followed by a picnic lunch for all and awards ceremony for the kids. Volunteer boaters will be taking the kids boating. Each child must be accompanied by a parent or guardian on the boat. If boat space allows, additional siblings and family members may be able to go boating as well. However, only participants and one parent or guardian are guaranteed to go boating at the event.

Anyone interested in sponsoring this event should contact event coordinator **name and email**.

The C.A.S.T. for Kids Foundation is recognized as a tax-exempt public charity under Section 501(c) (3) of the Internal Revenue Code. Contributions are deductible to the extent allowed by law.
